H BUCHANAN

THE HICKMAN COURIER.

HICKMAN, KY.
FRIDAY, 1 1 1 MAY 8, 1891

FOR STATE REPORT.

We are authorized to announce the Hon.

HENRY GRANT, of the State of

Kentucky, as a candidate to represent

the State of Kentucky in the

Democratic party.

FOR THE LEGISLATURE.

Consolidation to represent Hickman

and Fulton counties in the next State Legis-

lature are the following: In Hickman, which is largely, perhaps, owing to the

fact of its being a small town, the people

have been in mind a good and a

patience for the position, and request

city and upon him to succeed his wife.

We have Mr. John W. Cowgill, the pro-

vident, worthy and efficient, Mayor of Hick-

man. He has had large experience in

legislative bodies, was born and raised

in this county, has been a consistent Dem-

ocrat, and in the various public posi-

tions he has filled, has always given

efficient, efficient service, and we

think we believe he would make a mem-

ber of whom we would all be proud

to have as the people's Mayor. What

say the people? What say the

Citizens?

BROWN, HARDIN OR CLAY.

Result of the Democratic

Primaries.

The result of the Democratic

primaries held on Saturday last

throughout the state show Brown

in the lead, Clay second, and

Hardin at sea with Clay, and Hardin

fourth.

In the state convention, in as-

sembly in Louisville, there will

be 918 delegate votes, and the

successful man, or men, must re-

ceive 460 of these to win, and as

neither of the candidates for Gov-

ernor can count that number the

delegates in convention must set-

tle it. Of the 918 votes 880 have

been from 647 of which are

positively instructed, 233 without

instructions, and 38 not reported.

Of these Brown has 353, Clay 144,

Hardin 142, and Hardin 103. It is

certain that on the 15th of May

Brown will have about 300, Clay

about 250, Hardin nearly 50, and

Hardin following as a lively

fourth. Therefore, under the rule

Hardy will be dropped, and the

judging by the printed reports of

all his second instructions go

either to Brown or Clay, and none

to Hardin. Hence Hardin must

be dropped next, and the

chances are in favor of

followers who choose the nominee.

The outlook is decidedly favor-

able to Brown, but his nomination

is by no means certain, for Clay

may gain more friends than Brown

and, if residence and local

politics cut much ground, Clay and

Hardin living in the State of

Kentucky, Clay will benefit when

Brown is dropped precisely as

Brown from Clark.

But it is probable that Clay may

be dropped before Hardin, and if

Hardin stands a good chance

to win.

INTERNATIONAL POET.

It appears from the letter of the

Italian Prime Minister to the

Charge d'Affaires in Washington

that since the receipt of Mr.

Blaire's last note Italy is no longer

on speaking terms with the

United States in any matter of

courtesy. It will attend to busi-

ness matters as before, but in any

thing that is not strictly business

the two countries will be on terms

of international politeness for a

fact thus indicated by the

Margine Rodoli.

It is interesting to read this

statement in view of the

fact that Italy is a

country which is

not a member of

the League of

Nations, and

therefore is

not bound by

its provisions.

done in some doubt. This resulted in a few hours sleep. There was no further hemorrhage till next day, when I had a slight attack which stopped almost immediately.

By the third day all traces of blood had disappeared and I had recovered much strength.

fourth day I sat up in bed and ate my dinner, the first solid food for two months. My health was gradually getting better and I am now able to move about the house. My doctor has expected and my recovery has been a great surprise to my friends and the doctor. There can be no doubt about the effect of German Syrup, as I had an attack just previous to "usage. The only relief was after the first dose."
